

BIOGRAPHY

Vibration is the main feature of the Parisian's work, who lives in Brazil - his films pulse with the mix of live action, visual effects and animation. He contributed to produce music video of famous artists such as Sting, Rihanna, Jay-Z and worked with Wim Wenders, Bruno Aveillan, Jean Pierre Jeunet, Tarsem and Hype Williams. In cinema, Seb stood out as the director of visual effects and second unit of live action for 'La Vie en Rose', that won two Oscars in 2008. Specialist in post production and focused on the narrative, Seb is always ready for the most challenging projects.
